With our shoreline mostly privately owned, I feel strongly that civic life in our community can thrive more effectively when more Islanders know about, use responsibly, and care for our public road ends. When the public first became aware of the Road Ends in the 1990s, I followed their formal establishment although I did not become a full-time resident until 2008. I have already submitted an application for a place on this committee last year, before it was reorganize. Although I am aware that no vacancies are currently available, I wish to be listed as a potential future member. I'm happy to submit a professional resume if it would be useful.
